**Subject:** Letter of Recommendation to David Bourel

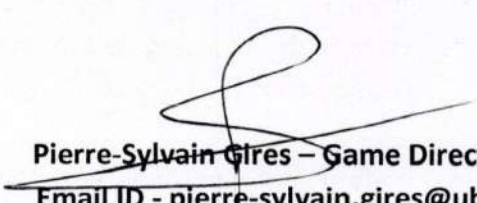

It is my pleasure to recommend David Bourel. I have known him in my capacity as Intern Game Designer at Ubisoft Pune.

It was pleasure to work with very efficient profile, hard worker like David. He was able to understand and analyze the needs of our project very quickly, his documents are complete and clear. He was able to raise the level of expectation with an impressive strength of proposal. Having someone you can count on during your production can make a big difference. David is one of those people.
